INDUSTRI PROGRAM SARJANA MUDA KEJURUTERAAN TAHUN 3
SEMESTER 3 2019/2020 SEMASA KRISIS PANDEMIK COVID-19
DAN PERINTAH KAWALAN PERGERAKAN PEMULIHAN**

Latihan Industri (LI) bagi pelajar tahun 3 pada sesi Semester 3 2019/2020/ pelajar yang layak akan dilaksanakan berdasarkan kepada dua (2) opsyen.

Opsyen 1

- a) Pelajar yang telah mengesahkan tempat latihan di industri (di mana industri telah mengesahkan untuk menerima kehadiran pelajar) akan melaksanakan LI selepas peperiksaan akhir Semester 2 2019/2020 tamat.
- b) Tempoh LI yang diperlukan adalah selama **8 minggu**.
- c) Pelajar akan menjalani LI bermula pada 24 Ogos 2020 dan akan tamat pada 16 Oktober 2020.

Opsyen 2:

- a) Pelajar yang tidak mendapat tempat untuk menjalani LI kerana kemungkinan terdapat banyak syarikat yang tidak mahu mengambil pelajar LI akibat kesan COVID-19 dan PKP; **ATAU** pelajar yang mahu menangguhkan LI kerana kuarir risiko COVID-19, boleh menjalani LI setelah tamat pengajian tahun 4.

- b) Pelajar akan menjalani latihan industri selama **minimum 10 minggu ATAU maksimum 12 minggu** di semester akhir pengajian.
- c) Pelajar juga dikehendaki lulus semua subjek program pengajian sebelum dibenarkan menjalani latihan industri. Sekiranya pelajar gagal dalam salah satu subjek program, pelajar perlu menangguhkan latihan industri dan memperbaiki terlebih dahulu gred subjek program yang gagal sehingga memperolehi gred lulus. Disyorkan pelajar mengambil peperiksaan khas bagi tujuan tersebut jika pelajar gagal satu kursus.

**GUIDANCE OF INDUSTRIAL TRAINING FOR ENGINEERING
UNDERGRADUATES, SEMESTER 3 2019/2020
DURING COVID-19 PANDEMIC AND THE PHASE OF RECOVERY
MOVEMENT CONTROL ORDER (RMCO)**

Universiti Malaysia Pahang third-year engineering undergraduates who have been into internship in the Semester 3 of 2019/2020 session or students who are eligible to go for industrial training (IT) can choose one of the following two (2) options.

Option 1:

- a) Student who has received an official internship offer from a company can proceed with the IT after the Semester 2 2019/2020 final examination.
- b) An intern shall complete **8 weeks** of IT.
- c) The suggested IT period is from 24th August 2020 to 16th October 2020.

Option 2:

- a) Student who does not get an internship placement due to the impact of COVID-19 pandemic and RMCO may undergo IT after the final semester. This statement is also applicable to students who intend to postpone their IT to prevent self-exposure to COVID-19.
- b) An intern shall complete a **ten (10) to twelve-week (12)** IT after the completion of final semester.

- c) Student is also required to have passed all courses of the engineering programme before undergoing IT. For a student who fails one (1) course, it is recommended that the student consults the faculty Dean for a possibility of taking a special examination.
