BIASISWA KECEMERLANGAN LATIHAN INDUSTRI

In 2021, Career Placement and Development Centre (CPDC) has launched a programme, namely *Biasiswa Kecemerlangan Latihan Industri* (Industrial Training Excellence Scholarship). These prestigious and exclusive scholarships are offered to students who excel in academics and able to demonstrate high leadership talent. This scholarship requires a successful applicant to serve a bond of 3-year working with the company sponsoring the scholarship. Moreover, the sponsored student will be provided the Sponsorship fee of RM40,000.00

per student which include tuition fee, housing allowance, subsistence allowance, book allowance and annual internship program allowance. Besides, sponsored student will undergo the industrial training at the sponsor's company according to the university's academic calendar.

The benefits of the *Biasiswa Kecemerlangan Latihan Industri* to the industry/sponsors are:

1. To build a brand and strengthen collaborations among academics and industry partners.
2. Investment in human capital in the long run and access to a wider pool of qualified talent.

BIASISWA KECEMERLANGAN LATIHAN INDUSTRI

Companies are invited to discuss on how to sponsor and participate in this program.
Email to us at cpdc@ump.edu.my.

Students are invited to apply.
Follow our CPDC FB for more info.

The Memorandum of Agreement signing ceremony were held on 22 November 2021.

UMP VIRTUAL CAREER POWER WEEK

Program that help students in building confidence and the important of one's right.

UMP & HPC VIRTUAL INTERNSHIP AND CAREER FAIR 2021

The Launching of UMP & HPC Virtual Internship and Career Fair 2021.

The Office of CPDC at UMP is the hub for providing programmes and services that are central to students' career developments, as well as placements for industrial training. Together with HRD Corp Placement Centre (HPC), CPDC has organized Virtual Internship and Career Fair on 20-30 November 2021 to open up internship and job options for UMP students and graduates. The students have the chance to touch base with dozens of potential employers and students can learn what types of jobs they offer and whether they have any internships available. Students have the chance to build the network and there were 32 companies altogether participating in this virtual fair.

UPSKILLING PROGRAMS

It is important to realize that securing employment is a two way-process. Students need to make themselves marketable to the employers, while employers, on the other hand, need to put in a lot of effort in ensuring they find the best students or graduates. CPDC has arranged two upskilling programs that collaborated with Pahang Skills Development Centre (PSDC) for our final year students. The two programs, i.e Program Creative Multimedia – Digital Video Editing and Essential Graphic Design Course were successfully held on 28 July and 03 August 2021. Having sound digital literac skills and having the confidence to grow them is becoming an essential professional skill for all graduates. The two programs manage to help students in recognising the importance of digital literacy in their lives, their learning and their employability and to encourage them to build the confidence to transfer their skills to multiple contexts.

Program Essential Graphic Design Photo
03 August 2021

Students manage to learn different software and come out with their own photo design at the end of the program.

Program Digital Video Editing
28 July 2021

Students manage to learn and expose to different techniques in video editing.

UMP TOP 10 INTERNSHIP PARTNERS 2020

CPDC would like to extend our heartfelt appreciation and gratitude to our internship partners for their supports and commitments towards making UMP students internship & career development a success.
